Course Information Sheet
2023-24

Duration of the Degree

The Graduate Certificate in Advanced Veterinary Nursing is designed to be completed in just over a year (part-time) and is delivered almost entirely online via the RVC's online Virtual Learning Environment (VLE), Learn. The course begins with the pre-requisite bridging module, Contemporary Study Skills. On successful completion of this 9-week module, students are eligible to join the Core module, Fundamentals in Advanced Veterinary Nursing Practice in September of the same year and an the S

organising childcare and the additional cost of travel with possible overnight stay, and so we have kept attendance on campus to a minimum. Wherever possible we will also aim to provide a substitute to face-to-face attendance through online alternatives.
